In forwarding herewith the comparative statement in duplicate of the tenders received for articles of diet and other hospital necessaries, I have the honour to inform you that apart from the tenders received from Messrs P.Holt & Co., Ltd, and the United Coffee Supply co. Ltd., only one tender was received from the present contractor, J Pandranga Prabhu for articles of diet and other hospital necessaries. Probably the stipulation that 5 % of the total aggregate value of the articles required should be deposited as earnest money works as hardship for persons sending their tenders.

The present contractor has tendered almost the same rates as last year except for a few items. The rates quoted by the Tahsildar are the present market rates, and there is every likelihood of the rates being enhanced on account of the present improvement of the financial condition and hence the rates will naturally go high.

Under the circumstances, I recommend that the tender may be accepted.
